Dear colleagues and friends,

University of Forestry, Sofia, has the pleasure to invite you to participate in the International Scientific Conference "*Forestry: Bridge to the Future*", which will be held on 6–9 May 2020 in Sofia, Bulgaria.

The Conference is dedicated to the 95th Anniversary of higher forestry education in Bulgaria.

The Conference sessions will be focused to the following topics:

- Sustainable planning and management of forestry activities
- Biodiversity
- Biotic and abiotic factors in forest areas
- Bioeconomy based on timber and non-timber forest products and services

Other additional topics in the field of Forestry, Wood processing, Ecology, and Landscape are included too.

The Scientific Program includes leading scientists, who have been invited to present key lectures on the current advances as well as future prospects of the forest science and practice.

All information regarding the conference and its facilities can be found on the official conference web-site:
<https://conf2020.forestry-ideas.info>

We believe that the Conference will bring important scientific insight into the recent research work of experts in the field and will be of great interest to you.

We will appreciate your cooperation on circulation of the information on the coming Conference among your colleagues.

Inquiries about abstracts, posters, manuscripts etc. should be addressed to the Organizing Committee Secretariat by: forconf2020@abv.bg.
